Note:

[1] Government prices also apply to nonprofit organizations. "All" refers to Government, Academic and Commercial.

[2] The final price for a SUDAAN license is computed by summing the corresponding prices for each user associated with the license. For example, the final price for a First Year, SAS callable, Individual User License (Academic) for 12 users is:

\$1,110 (for user #1)
+ 8 * \$410 (for users #2, #3, #4, #5, #6, #7, #8, #9)
+ 3 * \$215 (for users #10, #11, #12)
= \$5,035 (Total Price)

Please contact the SUDAAN Product Coordinator at sudaan@rti.org or visit www.rti.org/sudaan for additional information on pricing.

**State sales tax will be applied to all orders shipped to some states.
